

EDU PROGRAM

We have all started somewhere, and when you are building out your portfolio to establish yourself as a professional, using the right tools will make a huge difference: **you simply can't fly without wings!** At PRIOLITE, we understand that having access to the latest equipment as a student or educator can be challenging, and we want to help through our **PRIOLITE EDU PROGRAM**. You can now Purchase your PRIOLITE lighting equipment at a reduced price, if you meet certain requirements.

The **PRIOLITE EDU PROGRAM** is designed to give institutions, students, and faculty involved in a photographic education, the ability to purchase Priolite products at a reduced price. Students enrolled in a full time post high school photographic education program at an accredited college, university or trade school, as well as the instructors or faculties teaching in these institutions, are eligible to participate.

Joining is simple: qualified students, educators or institutions can decide on the right PRIOLITE lighting equipment for their personal needs, then fill out the application below to place an order, and provide proof of eligibility as outlined.

Proof of Eligibility:

All PRIOLITE EDU PROGRAM sales require proof that the purchaser is currently enrolled in, or working at, an approved educational institution. Only students enrolled in a full time post high school photographic education program at an accredited college, university or trade school, as well the instructors or faculties teaching in these institutions are eligible to participate.

Proof required:

For a student – Copy of the current PHOTO student ID AND current course schedule

For an instructor – Copy of current PHOTO faculty ID card

For an institution – Copy of a purchase order from the institution
